

The **Salto** collection has simple, timeless and generous curves that blend in with all styles of bars, brasseries, hotels or restaurants. The heavy bottom of the Salto glasses gives them stability and balance when held. The Salto collection is composed of 4 tumblers from 6 to 50 cl which allow you to find the most adapted tumblers to your needs in the service of water, juices, sodas with ice, smoothies but also cocktails with or without alcohol. Arcoroc is at the service of professionals and invites you to use the 6cl Salto tumbler for the service of sweet or savory bites.

Salto Ice Blue brings to the table an elegant curve and a touch of mineral color. With their durable blue color, resistant to repeated cycles in a professional dishwasher, Salto Ice Blue is ideal for serving soft drinks and water in restaurants looking for a splash of colour on their tables.
