

Primary Handcraft

Chef&Sommelier™ is breaking new ground with its new “handcrafted” effect. The Primary Handcraft collection, consisting of three 36 cl tumblers, is inspired by colorful, handmade tumblers. Available in blue, gray and red speckled colors, these Primary Handcraft tumblers allow you to compose a perfectly harmonious table with Chef&Sommelier krysta stemware. For serving water at the table, decorating with a candle in a lobby, Primary Handcraft finds its place in any venue looking for a unique artistic touch.
