

Distinguished by its angular lines, the **Distinction** stemware collection brilliantly sets the scene for the pleasure of tasting young wines. The color of red and white wines shimmers thanks to Krysta, a pure and brilliant crystalline. The four Distinction stemmed glasses from 23cl to 47cl reveal their subtle aromas thanks to a large oxygenation surface. Your customers will appreciate the fine rims for their tasting. Krysta keeps its brilliance beyond 2,000 cycles in an industrial dishwasher.
