Log Brush**ARCOROC**

Log Brush is the Glassware version of the Brush dinnerware collection. With Log Brush, Arcoroc successfully combines functionality, Scandinavian design and acidic or pastel colors: Cherry, Blue Jean, Blue, Dark Green, Green, Orange. Thanks to Arcoroc's know-how, the color sprayed on the Log Brush cups endures more than 2,000 washing cycles in an industrial dishwasher. All these advantages will brighten up the tables of the little ones and the trays of the adults in school canteens or company restaurants.
