

Primary Colour

Black or White and its new colors Emerald or Jade is the signature of the Primary Color collection of the Chef&Sommelier brand. With 4 cups of 36cl capacity, a curved silhouette and a thin spout, Primary Color finds its place on the tables of professionals for a chic and contemporary setting. Primary Color is ideal for serving water or soft drinks. Made of krysta, this ultra-resistant glass withstands more than 2,000 cycles in a professional wash without altering its decoration.
