The ***Wells*** Beer Stemglass is crafted to support the premiumisation of modern beer service. It offers a refined, no-brand option for today's evolving market. Available in 57cl, 42.5cl, 38cl and 28cl sizes, it features a thin rim to enhance the tasting experience. As microbreweries and local craft offerings continue to increase in popularity, so does the demand for higher-quality, versatile glassware. This stem glass elevates presentation, complements premium beer experiences and meets the needs of establishments seeking superior unbranded solutions.
