

# Fluid Colours

With **Fluid Colours**, Arcoroc offers a colourful version of the modern and original design of the transparent version of Fluid 75 cl. Fluid Colours is a collection of three decanters: blue, green and white, ideal for serving water in restaurants, canteens, coworking spaces or seminar rooms. The frosted tones of the carafes bring a touch of colour to your tables and are perfect for masking white lime deposits while resisting repeated washing.
