C&S
Chef & Sommelier
FRANCE

Reveal'Up, a range with a distinct and sophisticated personality, entirely dedicated to the pleasure of wine and perfect service. Its quality stems from the balance between the elegant and light design of the glasses, their perfect stability when held, and the technical features they bring to a tasting. The sensory journey begins with a discovery of the glistening colour of the wines, through the perfect transparency of the glass. It continues with the revelation of the fruity aromas, clarified by the extra-large surface for oxygenation, in a generous bowl. Finally, on contact with the mouth, the fine lip of the glass disappears as the spotlight falls on enjoyment.
