

TIVOLI JUG (ICE LIP) - 230CL

About This Product

Product Code: 28438

The Tivoli range embraces urban styling and benefits from a well thought-out and feature packed utilitarian design. The jugs are easy to hold and the larger jug features an ice lip for keeping the ice in the jug when pouring. The tumblers are tough, stackable and make great water glasses or alternatively are a different way of serving dark spirits.

- Bar essential
- Surprisingly tough design
- Ice lipped jug available
